Dockets Management Branch (HFA-305)  
Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

The compounded prescription is not available  
at most pharmacies and it is the perfect  
solution for my menopausal symptoms.  
I strongly object to any restriction on amount  
compounded by pharmacies from another state, etc.  
Please keep me informed of all actions on  
this mov.
